

RAMBLEFORD WOOL

The Wool Indulgence 1,000 pocket sprung mattress packed with British Wool - nature's high-performance fibre. Breathable, temperature-regulating, odour-resistant, antibacterial, naturally stain-resistant and fully biodegradable. It offers a sustainable alternative to synthetics, recognised worldwide for its quality, resilience and durability. Sourced from British farmers, the wool in this mattress is founded on the belief that farmers should receive fair prices for responsible practices such as improved animal health, biodiversity, soil enrichment and long-term farm profitability.

Fillings include microbond 400gsm, Supaloft 600gsm, Polycotton 600gsm, Poly Wool Silk blend 500gsm and British Wool 500gsm, all wrapped in a chemical free fire retardant fabric.
